PREPS KIDS & FRUIT, TERM 2, 2018

Tuesday, April 24, 2018

Dear Parent/Guardian,

For many years now our school has been involved in a Kids & Fruit program aimed at developing the daily eating of fresh fruit as a lifelong habit for our children.

Our fruit is delivered by a local wholesale fruiter and it is sorted and counted each day by the staff and volunteers who work in our canteen.

Each morning when the class lunch order monitors deliver the lunch order basket to the canteen, they return with a basket of child size pieces of fresh fruit to be shared amongst all of the children in each class at approximately 10.30 every morning, just before recess.

The fruit supplied to our children is good quality, appropriate size and includes a range of different varieties and types. The cost is very affordable at 30 cents per child per day which is an average of \$15 per term (30 cents x 5 days = \$1.50, \$1.50 x 10 weeks = \$15).

Our Prep students were not involved with Kids & Fruit last term but they will be involved from now on and you will receive a Kids & Fruit request for payment at the beginning of each term.

Please let your child's teacher know if there is any reason why your child may not be participating in this program.

Please complete the tear off slip below and return it to school with your payment by **Friday, May 4, 2018**.
