

## PREP UPDATE NUMBER 3

- On **Monday March 18** Prep children will attend our whole school assembly for the first time. For the remainder of this term children are to line up on the feet near the Prep classrooms and class teachers will walk them out to the assembly area at the front of the school every Monday. It is particularly crucial for your child to be at school by **8.45 a.m.** each Monday to ensure that he/she does not miss the important information being shared at our whole school assemblies and has sufficient time to line up in the appropriate area with his/her class. While the national anthem is playing latecomers must wait until the *end of the anthem* before joining their class.
- 
- A simple cartoon illustration of an alarm clock with a purple face, yellow bells, and green feet.
- The main corridor past the office is not a thoroughfare for parents or students. ***If you are not going to the office or sickbay please use one of the side corridors to go between the Prep area and front of the school.***
  - Thank you for supporting the teachers in keeping our children safe after school and ensuring that they are being collected by an appropriate person and keeping children from playing on the play equipment after school from 3 – 3:30 p.m.
  - It is important for children's academic development that they attend school ***every day and arrive by 8:45 a.m.*** Children who are frequently absent or late miss important learning time and sequential learning activities. From the beginning of Term 2, Prep children who are late must obtain a late pass from the main office before entering their classroom.
