

IRAMOO PRIMARY SCHOOL No. 5152

Thursday, May 17, 2018

Dear Prep Parent/Guardian,

As part of our Integrated Studies theme *'What's it made of?'*, we will be designing and creating an object from different fairy tales.

To help the students to create their object, we are asking if you could send to school any materials that the children may use. Materials such as ***plastic bottle lids, plastic bottles, plastic containers (e.g. yogurt tubs) or cereal boxes*** would be valuable. **Please make sure that all materials are washed before they are sent to school.**

We will also be discussing features of structures and the materials structures can be made from. Children will be examining the features of their own houses and thinking about the materials that houses are made from. As part of this discussion, we ask each Prep child to bring along a ***clearly named photo*** of their house by **Tuesday, June 5**. Parents can choose to send in their child's photo in a clearly named envelope or alternatively email the photo to the school's email address at iramoo.ps@edumail.vic.gov.au. Your child's teacher will print these photos and then delete the file from the email account. If you wish to email your photo please include your child's name and class in the subject line.

Hard copy photos will be sent home at the completion of the activity.

If you have any questions regarding this, please don't hesitate to contact your child's teacher.
