

## IRAMOO PRIMARY SCHOOL No. 5152

### 1:1 iPad Program Grade 4, 2019

Wednesday, October 10, 2018

Dear Parent/Guardian

We are very pleased to inform you that the 1:1 iPad Program currently running in Grade 4, 5 and 6 this year will be rolled out to students who will be in Grade 4 next year in **2019**.

#### 2019 Rollout

The main features of the 1:1 iPad program for Grade 4 next year are:

Each child will be provided with a 32GB, WiFi iPad (6<sup>th</sup>-Gen) or its equivalent.

Every student will receive a protective case that **must** be used to protect the iPad.

Each iPad will have full insurance which is included as part of the first year parent contribution of \$250. Please note that in the event of a claim the excess is expected to be \$100 per claim and this **must** be paid by parents before repair or replacement of the iPad is made.

The total package including iPad, software, protective case, technical support, device management and insurance comes to over \$500. This cost will be covered by our school and subsidised by parents in the form of a co-payment.

As part of our co-payment agreement parents will be required to contribute:

**\$250 (first payment) 2019**  
**\$100 (second payment) 2020 and**  
**\$50 (third and final payment) in 2021**

At the end of 2021 the iPad will be yours to keep. (Education Department Licenced software will be removed at this time if applicable).

We expect that the children will be taking their iPads home from the beginning of Term 2, 2019. No iPad will leave the school until the \$250 contribution has been received as this is the cost of the insurance.

We will be conducting parent information sessions in our computer room on **Monday, October 29 at 6 p.m.** and again on **Wednesday, October 31 at 3.15 p.m.**

**It is very important that you attend one of these sessions. Please complete the form below and return to school by 9 a.m. Wednesday, October 24, 2018.**

Please don't hesitate to contact me at school if you have any questions.

**PETER MILLS**  
**DIGITAL TECHNOLOGIES CO-ORDINATOR**
