KIDS & FRUIT TERM 4, 2018

Tuesday, October 16, 2018

Dear Parent/Guardian

Throughout 2018, our school continues to operate our 'Kids and Fruit' program where every child is provided with a high quality piece of fresh fruit each day.

A Werribee based wholesale fruiterer will continue as the chosen supplier of quality 'A Grade' fruit for our students each day at the subsidised cost of 30 cents per day (\$15 per term).

We see it as vitally important that all children participate in this program and, even if your child does not usually eat fresh fruit, we know from experience that some positive peer pressure will assist as the fruit basket is passed around the classroom at approximately 10.30 each morning and children eat their fruit together in the classroom, under teacher supervision.

Please complete the tear off slip below and return it to school with your payment by Friday, November 2, 2018.
