

IRAMOO PRIMARY SCHOOL No. 5152

Thursday, April 19, 2018

Dear Parents/Guardians,

From the beginning of Term 2, Grade 4 homework will be set and completed on the children's iPads. Students will have, in their Google Classroom app, a maths homework class and a spelling homework class. Students can download their homework into Google Docs and complete it by typing in the answers. Homework is still expected to be handed in (they can submit it through Google Classroom) on Thursday each week.

Those students who do not take their iPads home will continue to take home a hard copy of the homework to complete and hand in each Thursday.

If you have any questions regarding homework or iPads, please see your child's classroom teacher.

**MISS DEANNE ELLIOTT, MR ANDREW LISHMAN,
MR ALISTER MURNANE, MS CHERYL PANTELIDIS (GRADE LEADER)
& MR IAN STOKES.
