MESSAGE FROM THE PRINCIPAL

Raquel Tweedley

As we reach the end of another successful term, I want to take a moment to reflect on the many wonderful experiences we have shared. From exciting classroom projects to memorable extracurricular activities, our students have demonstrated outstanding dedication, creativity, and growth while displaying our school values Respect, Responsibility and Relationships.

A special thank you to our dedicated teachers, staff and supportive families, whose collaboration and commitment have made this term truly exceptional. Your efforts have greatly enriched our school community and have provided our students with an environment where they can thrive.

As we break for the holidays, I wish each of you a safe and restful time with your loved ones. Recharge and enjoy this well-deserved break. We look forward to welcoming everyone back next term for more fantastic experiences and opportunities for learning and growth.

REPORTING ON STUDENT PROGRESS

- Every child has now received a printed copy of an individual, detailed report on their progress during the first semester.
- The reports are available online via Compass.
- Your child's own self-evaluation of their progress is also included as part of the report.

PARENT / TEACHER INTERVIEWS

- An important part of the student reporting process is our mid-year parent/teacher interviews that are held to discuss each child's progress in the first half year and to make plans for further improvements during Terms 3 & 4. We are pleased that at least 75% of our families have scheduled appointments.
