

IRAMOO PRIMARY SCHOOL No 5152

## FIRST AID POLICY

### Help for non-English speakers

If you need help to understand the information in this policy, please contact Iramoo Primary School on (03) 9741 2803 or [iramoo.ps@education.vic.gov.au](mailto:iramoo.ps@education.vic.gov.au).

### Purpose

To ensure the school community understands our school's approach to first aid for students.

### Scope

First aid for anaphylaxis and asthma is provided for in our school's:

- *Anaphylaxis Policy*
- *Asthma Policy*

This policy does not include information on first aid requirements for COVID-19. Our school follows the Department's operational guidance for first aid management relating to COVID-19. Policy.

From time to time our staff might need to administer first aid to students at school or school activities.

Parents/carers should be aware that the goal of first aid is not to diagnose or treat a condition.

### Staffing

The Principal will ensure that Iramoo Primary School has sufficient staff with the appropriate levels of first aid training to meet the first aid needs of the school community.

Our school's trained first aid officers are listed in our Emergency Management Plan (EMP). Our EMP includes the expiry dates of the training. This list is reviewed on an annual basis as part of the annual review of our Emergency Management Plan.

### First aid kits

Iramoo Primary School will maintain:

- A major first aid kit, stored in the sick bay
- At least three portable first aid kits used for excursions, camps, or yard duty.
- The portable first aid kits are stored in the sickbay.
- The First Aid Attendant is responsible for maintaining all first aid kits, ensuring they are managed in accordance with the Department's policy and guidance on first aid kits – refer to [First aid kits](#).

### Care for ill students

Students who are unwell should not attend school.

If a student becomes unwell during the school day, they may be directed to sickbay and monitored by staff. Depending on the nature of their symptoms, staff may contact parents/carers or an emergency contact person to ask them to collect the student.

### Sickbay area

Our school follows the Department's policy and guidance in relation to our sick bay area to ensure it is safe, hygienic and appropriately equipped: [First aid rooms and sick bays](#).

## **First aid management**

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

- Staff who have been trained in first aid will administer first aid in accordance with their training. In an emergency situation other staff may assist in the administration of first aid within their level of competence.
- In a medical emergency, staff may take emergency action and do not need to obtain parent/carer consent to do so. Staff may contact Triple Zero “000” for emergency medical services at any time.
- Staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.

If first aid is administered for a minor injury or condition, the school will notify parents/carers by:

- recording the condition on Compass
- the Parent/Carer will receive a text message advising them that their child has attended sickbay.
- a Parent/Carer wishing to obtain further details about a minor injury are welcome to telephone our school on 9741 2803.

If first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical.

If staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.

Whenever first aid treatment is administered to a student resulting from a serious incident, injury or illness, Iramoo Primary School will:

- record the provision of first aid treatment on Compass and eduSafe Plus.

In accordance with Department of Education and Training policy, analgesics, including paracetamol and aspirin, will not be stored at school or provided as a standard first aid treatments. This is because they can mask signs of serious illness or injury. For further information refer to the Department’s Policy and Advisory Library: [Medication](#)

## **COMMUNICATION**

This policy will be communicated to our school community in the following ways:

- Available publicly on our school’s website
- Included in staff induction processes and staff training
- Discussed at staff briefings/meetings as required
- Reminders in our school newsletter
- Hard copy available from school administration upon request.

## **Further information and resources**
